IMPALER's DR. CORPSE Assaulted By Audience Member: Video Available - Nov. 7, 2006

Shock rock punk/metal band **IMPALER** was nearing the end of its set during a hometown Halloween show in Minneapolis, MN on October 27, 2006 when two guys in the crowd began taunting the group's sideshow sicko **Dr. Corpse**. In a matter of seconds, one of the men threw a punch at **Dr. Corpse** and then all hell broke loose. According to an eyewitness, "the band and their fans all joined together in teaching those two guys a lesson." A six-minute video clip capturing the entire incident has been posted online at YouTube.com.

As previously reported, **MVD Visual** has set a January 30, 2007 release date for the new DVD from **IMPALER**. Entitled "**House Band At The Funeral Parlor**", the group's second DVD installment includes a full concert from August 2003 at First Avenue in Minneapolis and several songs from a "**Pillar and Post**" show in January 1984! Also included is an "**Oddities and Rarities**" section with an all-new band interview and video for the track "**The Last Ride**" from the CD "**Habeas Corpus**" among others. More information is available at [this location](#).

IMPALER recently contributed a track to the new **Llyod Kaufmann** film "**Poultrygeist**". The band's song "**Dead As A Doornail**" was requested by **Troma Films** head honcho and director **Mr. Kaufmann** himself. Look for the soundtrack at Tromaville.com or fine stores everywhere!!

Also on the **IMPALER** front, the band has a live CD on the slab for European release in 2007 via **Codiac Records**. "**Alive Beyond The Grave**" was recorded at Star Central this past summer and is **IMPALER's** first official live album.

That idiot was provoking the crowd. He dared them to hit him. THEN HE GOT HIT! Meanwhile, the band just kept playing. They didn't "teach" anybody anything. And the only thing shocking about Impaler is that this pathetic band is still playing after 20 years of sucking!

The guy in the back was punching and hitting everybody, including the women, He deserved what he got. For all you Impaler haters, Just simply don't listen to them. There is probably a new R.E.M. albut coming out in a near future you can get off of.
