IMPALER was nearing the end of its set during a hometown Halloween show in Minneapolis, MN on October 27, 2006 when two guys in the crowd began taunting the group's sideshow sicko **Dr. Corpse**. In matter of seconds, one of the men threw a punch at **Dr. Corpse** and the all hell broke loose. According to an eyewitness, "the band and their fans all joined together in teaching those two guys a lesson." A six-minute video clip capturing the entire incident has been posted online YouTube.com.
