DRAG ME

My [Fleeting House](#) is first-ever DVD collection of performances of Tim Buckley. This essential DVD features rare live performances from various television shows and interview footage spanning his entire career.

The DVD has eleven full-length songs, and three partial performances. This DVD also features insightful interviews with Larry Beckett (co-writer of many songs with Buckley), [Lee Underwood](#) (Buckley's guitarist) and David Browne (author of "Dream Brother: The Lives of Jeff and Tim Buckley").

The footage spans his entire career, from 1967 to 1974, and includes unreleased video of interaction with Buckley on The Steve Allen Show (1969) and on WITF's The Show (1970). The footage is taken from various television programs from 1967 to 1974 right up to the time of his death in 1975. All but two of the musical clips are unreleased. As an additional oddity, the clip of Buckley being interviewed on The Steve Allen Show includes [Jayne Meadows](#) complimenting Buckley on his hair.
