Rare Footage of Acclaimed Musician Unearthed

Bagdad Theater screens *My Fleeting House*, a documentary featuring rare performance and interview footage spanning Tim Buckley's entire career, 7 p.m. today at 3702 S.E. Hawthorne Blvd. Admission is free!

House is first-ever DVD collection of performances by Buckley. It features rare live performances from various television shows and interview footage spanning his entire career, from 1967 to 1974. The footage is taken from various television programs from 1967 to 1974 right up to the time of his death in 1975. All but two of the musical clips are unreleased. As an additional oddity, a 1969 clip of Buckley being interviewed on *The Steve Allen Show* includes Jayne Meadows complimenting Buckley on his hair.
