<p>Count5</p> <p>Jul 07 2007</p> <p>★★★★★</p> <p>[Rating10166946]</p>	<p>Fantastic live Tim Buckley performances interspersed with interviews with songwriter Larry Beckett and brilliant guitarist Lee Underwood. While Buckley is deserving of a fuller, more comprehensive documentary that this low-budget affair, the live footage is amazing and is what makes this a must-see for all Tim Buckley fans. It even includes some rarely-seen <i>Starsailor</i>-era material performed live on on BBC TV.</p>
