The Jesus Lizard - Live DVD (MVD Visual)

This disc contains a great 50-minute live set—The Jesus Lizard ripping it up at Boston's Venus de Milo circa 1994. Whether you're a fan of the band or not, it would be in your best interests to see the raw intensity of The Jesus Lizard live on this DVD. David Yow was always a great frontman and, in this performance, you can clearly see why. The disc is pretty bare bones, unfortunately, but there are five more live cuts from a 1992 CBGB's set appended as bonus footage. - **kyle j.**
