"The Undercurrent"

'Waking Up Dead' Movie Featuring Ex-SKID ROW Drummer: DVD Due In June - May 11, 2007

"Waking Up Dead", a film about the seedy underworld of '80s metal as seen through the eyes of **SKID ROW** and **SAIGON KICK** member **Phil Varone**, will receive its long-awaited DVD release on June 26 via MVD Visual. The unflinching documentary was directed by **Emmy Award**-winning journalist **Fabio Jafet** and was filmed over a four-year period. Bands contributing to the soundtrack include **TEMPLE OF BRUTALITY** (featuring former **MEGADETH** bassist **David Ellefson** and ex-**W.A.S.P.** drummer **Stet Howland**), **MATT KRAMER** (ex-**SAIGON KICK**), **BEFORE BRAILLE**, **FIVESPEED**, **RANDY COLEMAN**, **MINDFLOWER**, **CREASE** and **F5** (featuring former **MEGADETH** bassist **David Ellefson**).

Varone previously said about the movie, "I traded everything ... my family, friends and finances ... all for my addictions and the world of sex, drugs and rock and roll. **'Waking Up Dead'** is a great lesson on life for anyone who watches it."

A preview of "**Waking Up Dead**" may be seen on the film's web site, WakingUpDeadMovie.com.
