Habenus Poland was special not only for Mind Key. The band was supported by Pendragon (Italy) and Galahad (UK). Gigs of both bands were recorded for the DVD releases: Pendragon Evening at Wyspianski DVD/DVD+CD, Galahad Resonance Live in Poland DVD/DVD+CD.

COMMENTS & REVIEWS

The concert found on this DVD was from a tour that saw **Mind Key** open for **Pendragon**. Quite an evening this must have been. Our own MJBrady was quite impressed by **Mind Key's** latest album... *Journey Of A Rough Diamond*. He made flattering comparaisons to **Dream Theater**, a band that will ring a bell with many Prog Metal fans I'm sure (lol).

The material by Mind Key is more song oriented than most of what DT has to offer, even though these are excellent musicians that really get to shine on stage. The concert performance is of top level and the band and crowd seem to really enjoy themselves. As usual, Metal Mind offers us a product of the highest quality, well fimed and taped, the sound really blowing out of my stereo speakers.

Those that enjoy the heavier side of Prog (and DT fans) should really get into *Habemus Poland - Live in Katowice* .

Recomended indeed.
