Tunes worth the time

GINA VIVINETTO
ROCKING OUR WORLD

HIP-HOP DVD: If you're hankering for old-school rap videos such as **KRS-One's** *Duck Down*, **Digable Planet's** *Cool Like Dat* and **Cypress Hill's** *Hand on the Pump*, fetch **Hip Hop Time Capsule: 1992** (Music Video Distribution). The DVD is a smorgasbord of all the hits of the era in video form, live performances by **Black Sheep**, **KRS-One**, **Das EFX**, **Naughty by Nature** and others.

The disc features interviews with **Naughty by Nature**, **Kriss Kross**, **Das EFX**, **Pete Rock**, **Cypress Hill** and others, as well as an update: a 2003 interview with **Ladybug Mecca** of **Digable Planets**. (Yeah, whatever happened to *that* group?)

It also includes hard-to-find videos for **Public Enemy's** *Night Train*, **Del the Funkie Homosapien's** *Mistadobalina*, **Black Sheep's** *The Choice Is Yours* and **A Tribe Called Quest's** *We Got the Jazz*.
