Trick narrates the DVD while getting his hair braided. He tells us why Trina was the baddest bitch since waay back, as they cut back and forth to concert performances of "Nann" that has to been seen! The DVD also features Tre-6, Duece Poppi aka The Black Richard Nixon, Funk Boogie, behind the scene footage of "I'm A Thug" video, a celebrity basketball game, and exclusive footage from club Rollexx. (You need a wide screen for this!) The boys hit the famous strip club and it's all on film! The girls dance in a boxing ring, Trick gets lap dances, and it's back to the lab as the DVD ends.

Setting off the triple play matinee is "Slip-N-Slide Records Memorial Day Weekend". Originally shot in 2001, the video features Trick Daddy, Trina, and the Slip-N-Slide camp running through Miami during the spring party season. The DVD is uncensored so you know its raw! Definitely not for the timid. Fans of Trina get to see her nice and up-close, cursing out the police, and rocking the stage! The Baddest Bitch is also seen filming her video and performing.

PLATINUM SERIES

sure why it's here, but it's nice footage regardless.

Next the guys go the extra mile and film the Slip and Slide caper. Once the ice is restocked, the show continues with Trick Daddy taking it to the house onstage. After the DJ loses a bet, we hit 99 Jamz in Miami with Trick for an interview. From there it's on to an underground radio station for more interviews. After a hard day of work, we head back to Club Rollexx for a night cap. Next up is a behind the scene look at the filming of the "In The Wind" video. Cee-Lo, Big Boi, Slim Calhoun, Jazzy Pha and Big Gipp are featured in the shots. The story ends well as TDD finds the evil bootlegger and saves the day. (CLICK HERE TO VIEW CLIP: [dial-up](#) / [broadband](#))

Next up is "Slip-N-Slide presents Trick Daddy Uncut". We go backstage with Trick Daddy and get a closer look at his life. CO and Money Mark host the flick from their couch. After they prep you on the MIA lingo, the story begins. We see Trick at work in his Tee Double D Studios, and follow him to the club after that to catch a performance. In the middle of the DVD we get a short clip of some bikers getting busy at "Area 51". The Anaconda has the ill snake skin bike smoking down the empty lot, working the 12 o'clock bar on the back. PLATINUM SERIES

What ya'll really know about the artists behind the music, the women who bounce to the beat and the players who make it happen?

The Dirty South Raw & Uncut is the final DVD in the series, and the title alone should warn you of impending nakedness and multiple booty shots ahead! Filmed again in sunny Miami, the camcorders are out in full force as models, strippers and various women show 'em what they got!

The first half of the DVD feels like a Girls Gone Wild movie with Dirty South Hip-Hop backing it. I aint mad though', as Gloria Velez & Dirty Red's interviews alone make it more than worth it. "Dirty South Raw & Uncut"

gives you just what the title says. The behind the scene interviews with strippers talking shop in their natural environment (ie. naked in the dressing room), gives the video a Hip Hop/Real Sex documentary feel.

The Dirty South Raw & Uncut" features appearances by JT Money, Luke, 2 Live Crew, Sole, Uncle Al, 69 Boyz and many more. Miami artist are seen defining what bass music is. They know you look at them with disgust when you seen the booties shaking. They know the haters are out there. They all still manage to get the world crunk! This DVD shows how and why, with a steady unflinching eye, and a nice parental advisory sticker for the kids and everything! The behind the scenes story with the 2 Live Crew makes this one a must have.

Final Verdict-Slip-N-Slide Triple Features=Too Hot For TV!

Fans of Slip-N-Slide should grab these up while they can! Miami rappers have been banned in the USA for less! (Shouts to Uncle Luke!)
