The **Coup**'s "Best Coup DVD Ever": The unapologetically political Oakland rap assemblage try to get equally radical onscreen, with videos for "Fats Cats & Bigga Fish," "Not Yet Free" and "Me and Jesus the Pimp in a '79 Granada Last Night." Filling out the disc are interviews with **Boots Riley** and **DJ Pam the Funkstress**, plus a bonus film called "Eating Forever: A South African Hip Hop Travelog," shot during the Black August hip-hop tour.
