The Coup – The Best Coup DVD Ever – MVD

Compiling some of The Coup's best videos and behind-the-scenes footage, this DVD owns up to its name. With music videos for tracks like "Ride The Fence" and "Fat Cats & Bigga Fish" and an exclusive interview with Boots Riley and Pam The Funkstress, they've also included the Boots Riley co-directed video "Eating Forever: A South African Hip Hop Travelog" which was shot during the "Black August" Hip Hop Tour. This is the ultimate addition to any Coup fan's collection.
