BLACKALICIOUS

4/20 live in Seattle

by Tony "Rescue One" Samuel

This DVD is a great piece of history and should be added to the library of any Hip Hop loving consumer.

Blackalicious is a true Hip Hop group that deserves much respect for keeping the art form alive. In this era of bling and studio gangsters, it is refreshing to see a real Hip Hop group representing!

This DVD is the real deal and should be supported by all lovers of Hip Hop.
