

ROCKERS is a Reggae triumph. By all critical standards ROCKERS is one of the greatest Reggae films ever. Starring Leroy "Horsemouth" Wallace and Richard "Dirty Harry" Hall, it's a Robin Hood style story of oppressed Jamaican musicians getting even with the "mafia types" in the business.

But it's the all-star musical performances, appearances, and soundtrack that sets ROCKERS apart, featuring acting roles and music by Burning

Spear, Bunny Wailer, Third World, Peter Tosh, Jacob Miller, Gregory Isaacs, Kiddus I, Junior Murvin, Inner Circle, the Heptones, & Abyssinians.
