For those who have seen [Pato Banton](#) live, the DVD "[Spreading the Good News Live](#)" is a great reminder of the good time you had. For those who have never seen [Pato Banton](#) live, this DVD will become the motivator for you to seek out his next performance in your area.

Shot at the [Chiemsee Reggae Summer](#) Festival in Southern Germany, [Music Video Distributors](#) deserves credit for capturing the experience and atmosphere which is [Pato Banton](#) Live.

Ever the consummate entertainer, [Pato](#) engages crowd interaction and involves the band in onstage antics, all while spreading a positive vibe and message to fans both young and old.

Playful, serious, engaging, [Pato](#) covers the stage with smiles and dance from beginning to end.

Playing through his hits, from *Bubbling Hot*, to *Jammin'*, a dedication to the late Bob Marley, to *My Opinion*, [Pato](#) spreads his positive message to the crowd, and the world by way of DVD through his uplifting and playful energy.

Bubbling Hot, one of his more playful tunes, is far and away the best highlight of this 1 1/2 hour video. Featuring a driving bass, and complete band interaction in dancing, [Pato](#) rips up the stage, and might even motivate one to feel as if they're at a Pato concert.

To reiterate, "[Spreading the Good News Live](#)", is a great representation of what the experience to see [Pato Banton](#) is like. As stated before, a great time to reminisce about your last time seeing him, or motivation to look forward to seeing him next time he passes through your area.
