

# THRASHER

July 2006

For the ganjistically inclined, track down the **Lee “Scratch” Perry** “The Ultimate Alien” DVD. It’s got an hour’s worth of concert footage of the guy who is a legend in Jamaican music (from ska to rock steady to reggae) and pioneered dub. He also claims to be an alien, and so the interview footage and the Guinness commercials that come as extras are really what makes this worth watching. The dude is straight up out there...
