"I Heart Monster Movies" DVD (director: Tyler Benjamin)

A warm love letter to horror films in general, this feature-length documentary is evidently the result of a weekend spent at a national horror convention. The director speaks to a wide array of fans, as well as a large amount of horror stars. We get impromptu interview footage of folks like Tom Savini, Linnea Quigley, Bill Moseley, Sid Haig, Doug Bradley, Ivan DePrume (formerly of White Zombie), David J, Dee Wallace, and tons more.

There's not a lot of flash and glitz to this one (aside from some brief clips of some of the more influential horror films mentioned here), just honest people of all ages and backgrounds explaining their fascinations and passion for the scary movie genre. As a life-long horror fan myself, "I Heart Monster Movies" was a fun and engrossing look at a fringe culture that continues to inspire and seduce people, irregardless of class, culture, or age. Bravo!
