

Many blessings... all my love,

## **Thank You For Your Prayers**

August 14, 2008

As you know, I am going through a very difficult time physically and emotionally. But my spirit is strong and I just want to thank you for all your prayers and good wishes that you have sent my way.

## A Statement from Jon Anderson

In the wake of my recent respiratory attack, doctors have advised me to spend the coming months resting and recovering. Unfortunately, this means I won't be able to tour with Yes this summer as originally planned. I'd like everyone to know how deeply disappointed I am by this turn of events. I was looking forward to celebrating our music with the amazing family of Yes fans once again; but as we all know, health must come before anything else. Wishing you all the very best... Jon
