

ANDERSON, JON - TOUR OF THE UNIVERSE

"Tour of the Universe" is the debut solo DVD from Jon Anderson - a musical passage through life, time and the world beyond, featuring many new songs as well as classic hits from his work with YES and collaborations with VANGELIS. Recorded live in 2004 at XM Radio Studios in the USA, Jon's inimitable "One Man Show" performance has been crafted with dramatic animation and innovative visuals to create this pioneering concept DVD. The DVD also comes with a host of special features and interesting artist tidbits.
