Killers, U2 Lead DVD Releases

MVD Visual is plotting new home video releases from **U2** and **The Killers** among others. "U2 – DVD Collectors Box" is a two-disc set designed with fans in mind. From its full color outer slipcase and colored picture discs, the set provides a look back at the band's career. Meanwhile, "The Killers – Leaving Las Vegas" is a documentary film on the Vegas rockers, complete with interviews from friends and peers alike. The disc also comes with a Killers quiz and rare performance footage. Look for both the U2 and Killers DVDs in stores June 5th.
