Yawn! Evanescence is soooo boring. They are so 2003.

sy | 7/3/2007, 2:56 pm EST

sy is the greatest band ever, but starbucks....

TEABAG | 7/3/2007, 1:52 pm EST

Can't wait for the Pink Floyd DVD its gonna rock.

I personally don't like Evanescence but how are they in anyway an EMO band?

mp3sparks.com = allofmp3.com

even takes your old password and balance

jungleland | 7/3/2007, 1:21 pm EST

Allofmp3.com was the best music site I have ever seen. If they could take their model and design, raise the prices(a little) and pay the artists(their fair share), it would take over itunes in two weeks

Moist Vagina | 7/3/2007, 12:38 pm EST

I hope that DVD of "The Pink Floyd and Syd Barrett Story" comes with a complimentary joint enclosed so we can fully appreciate the DVD.

abandonedstation | 7/3/2007, 11:34 am EST

sometimes I feel kinda guilty that I think the best Syd Barrett track is the one that he is nothing to do with and is just dedicated to him ('Shine on You Crazy Diamond...'). I mean, i tried really hard to like 'The Gnome', but no dice.

Oh god, Sonic Youth! Not you, too! I hope this is just part of Eric's Trip!

The Police are the most requested acted? Oh, well. At least it's not 'American Idol on Ice'.

I wonder if Jonathan Davis thinks Amy Lee is 'korn'.

allofmp3.com, we hardly knew ye.

WTF? Korn is touring with Evanescence? You have got to be kidding me. Korn, give it up. I never thought I would see the day you guys toured with a horrible emo band fronted by a diva who thinks she is more important than she really is. Was Kelly Clarkson too busy to hit the road with you guys? How about Pink? I hear she's washed up these days and needs a gig.

cota | 7/3/2007, 11:00 am EST

hey "bub", click on the "link", ("be released"), and you will get the info you are needing.

Odys Coltrane | 7/3/2007, 10:36 am EST

R.I.P. allofmp3. Great prices while they lasted. And the link to the article is broken.

bub | 7/3/2007, 9:48 am EST

well tell us about the dvd
