EXTRAS > Deleted scenes, uncut performances, audio commentary by director Steve Hanft, music videos.

LAMB OF GOD: TERROR AND HUBRIS (EPIC)

In 2003, we heard the underground's greatest thrash band had become label-mates with J.Lo. *Terror And Hubris*' proves it wasn't just a dream—though "miracle" seems kinda fitting.

EXTRAS > Audio commentary, band interviews, behind-the-scenes footage.
