DOMINATOR: THE ANIMATED MOVIE • (MVD)

Ettin Fodder rates it:

DOMINATOR: THE ANIMATED MOVIE
 MVD • 2003 • 75 minutes • Color • Not Rated
DIRECTOR: Tony Luke

STARRING: The voices of: Doug Bradley, Dani Filth, Ingrid Pitt

A guilty pleasure if there ever was one! Mediocre graphics be damned, this flick rocks. With a rockin' music track, big-boobed half-nekkid chicks and the cool-as-hell-looking title character, you can't help but enjoy this!

Hell is in turmoil with Lucifer battling Lord Desecrator for supremacy. Dominator, a bad-ass general for Lord Desecrator and the supposed Dead God of Rock 'n' Roll, steals the key to hell from Lucifer, but decides to keep it for himself. On Earth, a girl-band accidentally opens a portal between Hell and Earth and sucks Dominator through, along with a few other baddies who Dominator dispatches easily. Lord Desecrator also sends some other baddies, including Lady Violator through to retrieve the key while Dr. Payne tries to send Dominator back to hell.

While the graphics aren't anything to challenge Pixar, they aren't too bad. The story is pretty simple, but I was pleasantly entertained. Some of you might recognize a few of the names on this: Doug "Pinhead" Bradley of HELLRAISER fame, juggy Hammer horror queen Ingrid Pitt and Dani Filth, diminutive lead shrieker of horror metallists Cradle Of Filth. Definitely worth 75 minutes of your time!
