

Music DVD of the Week: *The Committee*. This Music Video Distributors release is extremely bizarre. Not only do you have a narrative going on about a whacked out murder and a secret organization that runs the world, but the whole thing is set to the musical score by Pink Floyd. And if that wasn't enough, you also get "Fire" performed by The Crazy World of Arthur Brown, which was one of the seminal vinyl singles of my childhood. And yes, that explains a lot. ([Buy it](#))
