"Lovedolls Superstar: Fully Realized"

(Eclectic DVD/Music Video Distributors, 2 stars)

This March 14 release contains the director's cut of David Markey's cult 1986 film, a sequel to "Desperate Teenage Lovedolls." Despite the name, this isn't pornographic material, though there are some disturbing images.

Bangle/Continental Drifter Vicki Peterson, The Seeds' Sky Saxon and The Dead Kennedys' Jello Biafra all appear in minor roles. A rocking soundtrack can't really save this release, which merits parental advisory due to scenes of drug use and one gory murder featuring tons of fake blood. Check it out at www.mvd2b.com or www.eclecticdvd.com.

Ricky Flake is a former punk rocker, working musician (he sings with South Mississippi's Tribute to the Ramones, COMMANDOS; and, drums with the Deacons) and music fan who lives in Biloxi. Reach him at lobotomy3857@wmconnect.com.
