

Hubert Selby Jr.'s "It/II Be Better Tomorrow" - It's doubtful you know Selby Jr. by name, but if "Requiem for a Dream" and "Last Exit to Brooklyn" ring a bell, then you're more familiar with the controversial author than you realize. Paying a visit on "Tomorrow" — a chronicle of Selby Jr.'s battles with tuberculosis, drugs and financial ruin — are **Jared Leto, Henry Rollins, Lou Reed** and **Robert Downey Jr.**, who narrates.
