"HUBERT SELBY JR: IT'LL BE BETTER TOMORROW" DVD

The documentary paints a fascinating portrait of maverick author Hubert Selby Jr. His works, such as "Last Exit to Brooklyn" and "Requiem for a Dream" (adapted into haunting films), etch memorable glimpses into the pain, desperation and darkness of the human condition. He has many devotees in the rock world, including Henry Rollins and Lou Reed, both of whom appear. Extras include several hours of audio interviews with Selby.
