Double Crossed is an action movie sure to raise your adrenalin level. Michael Nunez, Jr and Noelle Ferris star in this tale about crossing a person and double crossing a person. In other words in this game of killers for hire it is hard to know who is telling the truth.

Nunez plays Nate, a killer for hire, who sends out his three “angels” to kill one of his enemies. The problem is when they find the “enemy” (Emilio Roso) he tells the three women that everything Nate has told them is a lie and sends two of them back to hunt down Nate and kill him.

All of this makes for an action packed film that will keep you guessing as the plot plays out. This is a DVD you want to get.
