Hell On Earth- DVD Review

Published on 13 February 2012 by Yvonne M. Glasgow in Horror

Hell On Earth

This movie comes from the producer of the cult classic film “Th Spawn” (which I will also be reviewing momentarily).

If you like gore, it’s got it.

If you like creepy creatures, it’s got it.

If you like horrifying death scenes, it’s got it.

If you are a fan of B horror flicks and cult classics then you will something to like about “Hell On Earth.” Think “Evil Dead” mee of the Living Dead.”
