## Elvis Presley – The Last 24 Hours

MVD – Available Now

Not Rated

Suggested retail price: \$16.95

\*\*\*This DVD/CD set reunites all of the members of Elvis’s infamous Memphis Mafia for the first time since the King’s untimely death in 1977. Definitely a good stocking stuffer for any Elvis fan.

★★★

## Jimi Hendrix – The Last 24 Hours

MVD – Available Now

Not Rated

Suggested retail price: \$16.95

An unauthorized but compelling documentary which asks if foul play was involved in the late guitarist’s September 1970 death. You may be surprised by the answer.

★★★

## Sapphire & Steel: The Complete Series

A & E Home Video – December 28

Run Time: 918 minutes

Not Rated

Suggested retail price: \$99.95

1970s British Sci-Fi ala *Doctor Who*. This collection includes all 24 half-hour episodes from 1979. A great release for any fan of the genre.

★★★

## After School Specials 1974-1976

BCI Eclipse – Available Now

Run Time: Four episodes on two discs

Suggested retail price: \$12.90

If someone were giving out awards for best value on DVD and best DVD packaging this release from BCI Eclipse would be a lock to win both. Could 1970s children’s TV programming really have been this innocent? Includes episodes starring: Eve Plumb, Christopher Knight, and Lance Kerwin. This is the first release in a continuing series of *After School Specials* produced by Martin Tasche. Highly recommended.
