BruceXCampbell is a brutal grindcore violence band! This is the real deal! Raw and loud, think of bands like INSECT WARFARE and more in-your-throat grindcore bands! Brutal blasts and over the top fast spits!
Line Up Your Lies is also a grindcore machine! These folks blast through their tunes with serious speed and combine brutal growls and howls. They also throw in some steady double-bass, along the lines of AGORAPHOBIC NOSEBLEED and other Relapse grindcore bands.
