Accion Mutante - "Worse Than A Virus" CD

Brutish grind-punk from German thugs

Accion Mutante is a veteran grind metal/punk act from Germany who's been around since the late 90s, but they haven't released a proper album since 2002. Well, they make up for that with this 17-song gutter-grind-punk barn-burner.

Opening with the spoken word intro, "Narcissism of Mankind", the band launches into the primitive punk/metal of "Stop FGM". The remainder of the tracks are equally as barbaric – steamrolls of classic grindcore chug and vomit-style vocals. With bands like Accion Mutante, the tracks nor their subjects matter. After all, this could be political, or it could be about the pain of an ingrown toenail. The guttural grunts are competent, but hardly unique, and the bare-bones music is, well, really quite forgettable.
