Classic Rock Revisited is Giving Away a Copies of Johnny Winter Live at Rockpalast DVD and the new Johnny Winter Collectable Guitar God Figurine.

Enter Below For Your Chance To Win.

Contest Ends August 1 at Midnight. So Enter Below!

Live Rockpalast 1979 features Johnny and his three piece band live on Germany's famous Rockpalast TV show in 1979... Straight up blues like only Johnny can deliver, lean and mean. Johnny and the band also blaze through some killer covers like the Rolling Stones' "Jumping Jack Flash" and "Suzie Q."

Also, arriving next month is the first figure in the **Guitar Gods** series... None other than the legendary master blues guitarist Johnny Winter.

The figure is limited to 1500 numbered units, stands at 7 inches tall, and is made of a lightweight poly resin.

Displayed in a window box, here Johnny is not only accurately sculpted right down to his signature black hat, boots, and guitar, but also has movement at both the arm and head, and yells "Rock N' Roll" at the push of a button! Click [HERE](#) to listen to the sound clip...

Can't wait? Then buy now!
