Review: The Dutch Woodstock (V/A)

The Dutch Woodstock (V / A)

(2013, Gonzo Multimedia)

Yet not long ago that a whole generation thought that music could change the world. And apotheosis of all culture *rock* was reached in August 1969 with the completion, in New York, the famous festival *Woodstock* . Even taking into

account that only a few months later, the Rolling Stones at the festival of *Altamont* has been a failure, what is certain is that the movement never stopped and was followed by numerous attempts to imitate what had happened in *Woodstock* . One of the most successful of this first generation of European festivals *rock* was the *Holland Pop Festival* , held in August 1970 in Kralingse Bos, Rotterdam and would eventually become known as *The Dutch Woodstock* . Alignment were part of a set of names indeed important *rock* British and American, as *T. Rex* , *The Byrds* , *Santana* , *Jefferson Airplane* , and especially *Pink Floyd* . The festival was recorded for the movie *Stamping ground* where he depicted a still young *Al Stewart* with his *Zero She Flies* , the *Jefferson Airplane* with sensational *medley White Rabbit / The Ballad of You and Me and Pooniel* and of course *Pink Floyd* to make a monumental *Saucerful Of Secrets* . However, at the most a set of benefits was filmed without his having appeared in the film. In continuation of the work developed by *Gonzo Multimedia* to provide authentic museum pieces, now appears in this edition double CD and a DVD that also permit access to another theme of *Pink Floyd* (Set The Controls For The Heart Of The Sun) and as some rarities *T. Rex* (*Pavillions Of Sun*), *Dr. John* (*Mardi Gras Day*), *Family* (*Drowned In Wine*) and *The Byrds* (*Old Blue*). Then there is the presence of lesser-known artists like *The Flock* or *East Of Eden* . *Woodstock The Dutch* recovers this whole essence of *rock* from the 60s and is more than a collection of rarities carefully chosen. This disc is an important part of music history and a significant socio-cultural importance.
