"The Hudson Brothers Razzle Dazzle Show: The Complete Series" (1974, MVD, unrated, \$30) -- Once called "the Kings of Saturday Morning" by fan John Lennon, the Hudson Brothers are at their goofy best in these sketches and musical performances culled from their '70s kids show. It's not exactly cutting-edge comedy but there's an affable zaniness about the trio -- and their rendition of "So You Are a Star" is a buried gem.

Extras: Highlights from the Hudsons' prime-time variety show.
