➔ **GIVEAWAY: The Hudson Brothers Razzle Dazzle Show: Complete Series!**

Week in Rewind is pleased to offer a giveaway of
The Hudson Brothers Razzle Dazzle Show: Complete Series!

Own it on DVD September 30, 2008!

Thanks to our friends at Studio Service Corp
for this opportunity!

Official product description:

"Do you love those great 70's sketch shows? Remember the hilarious Chucky Margolis? Yeah, those were the days...but wait, just when you thought every possible TV show was out on DVD, VSC reaches back in time to bring you the landmark release of The Hudson Brothers Razzle Dazzle Show. That's right, for the first time on any format comes sixteen seriously zany half hours of Saturday morning family programming from an era when zany used to count for something. It's the Hudson Brothers - Brett, Mark and Bill, along with (Brett's signature character) Chucky Margolis, shticking and singing their way through sixteen half hours that entertained kids of all ages. Once called "The Kings of Saturday Morning" by John Lennon himself, The Hudsons are joined by series "irregulars" Ted Ziegler, Billy Van and Murray Langston, the latter destined to become The Unknown Comic. With Rod Hull and his Emu rounding out the zoo, the Hudson Brothers will take you back to the golden age of TV variety shows! Includes the Hudsons singing ...So You Are a Star (Top Ten Hit) and much more!

Bonus Materials:

- * The Best Sketches from the Hudson Brothers Show
- * Best of Chucky Margolis"

We are giving away THREE copies, and winning is easy.

The contest will end on November 11, 2008.

To double your chances of winning, leave a comment on this post. You can do so below in the "Comment" or "Post a comment" sections.
