## March 22 DVD roundup

Posted on 03/21/2011 by [Harry Thomas](#)

### **The Quiet Arrangement**

MVD/HWIC Filmworks, 98 minutes, not rated, \$16.95

A lawyer's wife is kidnapped. A criminal wants to keep things simple. An undercover detective is trying to finish his case. A man who does odd jobs is watching over the kidnapped wife. Lots of deceit and double-crossing ensues. No extras listed.
