Posted by Michael Gingold | Sep 20, 2012

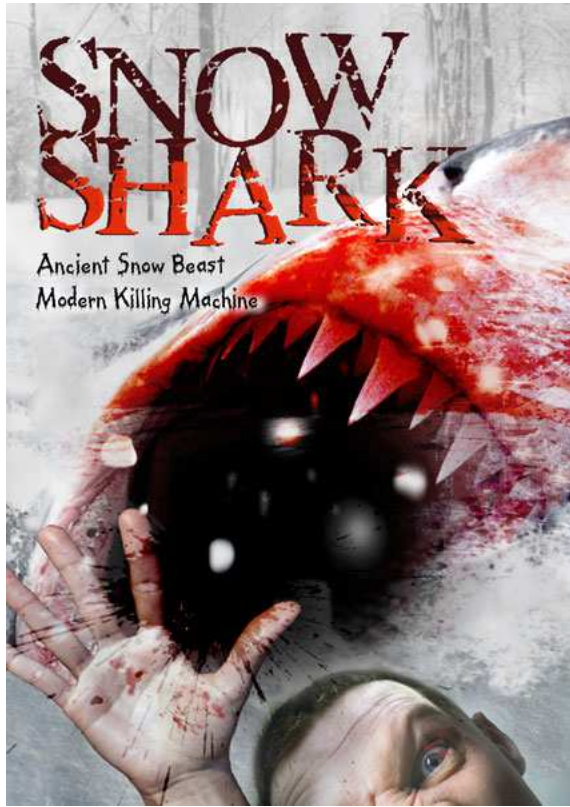

Just when you thought it was safe far from the water, here comes SNOW SHARK: ANCIENT SNOW BEAST, an indie creature feature heading for your home in December. Read on for all the details, the disc art and the latest trailer.

The microbudget SNOW SHARK is the first feature by writer/director Sam Qualiana, who won the support of SLIME CITY creator Gregory Lamberson (who produced with John Maclay), Cemetery Dance publisher Richard Chizmar (an executive producer on the movie) and DIY horror veteran Mark Polonia, among others, in bringing it to the screen. The plot concerns...well, it's all there in the title, isn't it? [Independent Entertainment](#) releases SNOW SHARK December 11 on DVD and digital platforms; the disc will present the movie in 16x9 widescreen with the following extras:

- SNOW SHARK short film
- SOMETHING AFTER MIDNIGHT short film
- A LOVE STORY short film
