January 24, 2014 New York, NY – Film star Cindy Guyer (*Psycho Cop*) returns to independent cinema in an outrageous new horror film shot entirely in the Bronx, *Bloodmarsh Krackoon*. Winner of Best Director at the NYIFF Festival, the film and its prequel *Krackoon*, directed by Bronx native Jerry Landi and produced by Marc J. Makowski (*Slime City*, *Snow Shark*) are coming to DVD and digital platforms May 20, 2014 from Independent Entertainment.

### Synopsis:

A new terror stalks the residents of the Bronx.

Urban legend claims a vicious crack-addicted raccoon nicknamed ‘Red Eye’ was behind a series of gruesome murders in Bronx neighborhood Locust Point. Politically ambitious Deputy Mayor Peter Rabbit sees an opportunity to advance his career, and enlists his cousin and best friend to capture the mutant creature – unaware that two more bloodthirsty “krackoons” are lurking in the shadows...

Model-actress Cindy Guyer of *Psycho Cop* and *The Mirror has Two Faces* returns to cult cinema in this hilarious and gore-soaked gem of DIY filmmaking. Includes the prequel *Krackoon*.
