James Anne Farrell

He's not exactly known as a mellow dude, but one time Queens of the Stone Age bassist Nick Oliveri is doing a solo acoustic tour this week. In San Francisco, he'll be performing a free show at Benders, the bar owned by his friend Johnny. The gig starts at 8 p.m., with the heavy rock vet (Kyuss, Mondo Generator, Dwarves) unplugging to perform songs off his latest record, *Death Acoustic*. He'll also throw a couple past hits into the mix.

The softer side of stoner rock is for lovers.
