

“INCOGNITO: LIVE IN LONDON, THE 30TH ANNIVERSARY CONCERT”

The acid-jazz ensemble delivers a dynamic 2009 set on this double-DVD package. Soul, jazz and funk flavors spice things up. Also included is behind-the-scenes-footage. Founding member Jean-Paul “Bluey” Maunick allows virtuoso soloists to shine, as well as such vocal talents as Jocelyn Brown. The concert is also available in Blu-Ray and CD form.
