

Larry Carlton & Steve Lukather -
New Morning: The Paris Concert 4/5

O's Notes: Two fabulous guitarists and a solid tour groove are the features on this disc! It is high intensity from the opening bell and the pleasurable groove continues for the entire set. Steve plays on the rock fusion side while Larry stays closer to a jazzy blues. They have a great deal of respect for each other and a collective abundance of talent that drives the audience wild! They are in Paris and the mood is ripe for an exceptional evening.
