

MIKE STERN LIVE
RICHARD BONA
DENNIS CHAMBERS
BOB FRANCESCHINI

Mike Stern,
*New Morn-
ing: The Paris
Concert: Mike*

Stern Live (Inakustik) Stern is a consummate jazzier who throws in snatches of rock and blues to round out his sound. His liquidy, chorused sound is instantly recognizable, as are his licks. This DVD features great performances Richard Bona (bass), Dennis Chambers (drums), and Bob Franceschini (sax). And the interview with Stern is as fun as it is interesting.
