

MIDWEST RECORD

GIL SCOTT HERON/Paris Concert:

From 2001, when he was trying to kick his comeback into gear, Scott-Heron laid it on the line for the appreciative Frenchies who seem to adore the offbeat aspects of our pop culture. Possibly one who can lay claim to being one of the original rappers of the modern era, even in the later years, when he was on, he was on. Smoking hot set equally as enjoyable with or without the visuals on, turns out the revolution will not be televised, it will be on DVD. Check out this killer dose of hard soul.
