Sco's New Morning: The Paris Concert

Archive

John Scofield will release the new concert DVD *New Morning: The Paris Concert* on November 23. The DVD captures a 2010 show Scofield played in Paris with drummer Bill Stewart, bassist Ben Street and pianist Michael Eckroth. As its title suggests, the DVD was filmed in Paris' famed New Morning jazz club. The guitarist will release a new studio album in 2011.

Actually, that isn't Ben Street it's the unbelievably talented Steve Swallow! One of the finest, tastiest bassists around. Turn it up and dig that bass tone!
