Robben Ford – Ohne Filter Revisited (MVD/Inakustik DVD)

Picture: C+ Sound: C+ Extras: C+ Concert: B-

Though this is a new concert from 1997, there is not much difference between this **Ohne Filter** appearance by Robben Ford and one we reviewed 1993. There are two concerts of his we covered previously, as you can see at these links:

New Morning Paris 2001

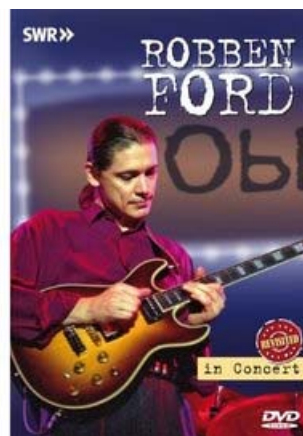

<http://www.fulvuedrive-in.com/review/2165/Robben+Ford:+New+Morning+Paris>

The **Paris** concert is still the best of these three, with better sound and better material, while the two **Ohne Filter** shows are shocking similar in playback performance and have virtually the same extras. Only try either of them after you have tries the **Paris** DVD. Songs here include:

- 1) *Just Like It Is*
- 2) *When I Leave Here*
- 3) *The Miller's Son*
- 4) *Chevrolet*
- 5) *Freedom*
- 6) *Top Of The Hill*
- 7) *Tiger Walk*
- 8) *The Champ*
- 9) *In The Beginning*

He is good, but I was a little disappointed.
