

SCHENKER'S TEMPLE OF ROCK –
LIVE IN EUROPE DUE JANUARY 15

The prayers of **Michael Schenker** fans worldwide will be answered with the January 15 release of *Temple of Rock – Live in Europe*, available on three formats as well as limited deluxe edition. The guitar god's concert collection will be released as a 2-CD set, a single DVD, a single Blu-ray and as a deluxe edition featuring all of the previously mentioned formats packaged together. Addressing the title, Schenker explains, "The *Temple of Rock* is almost finished. The foundation was laid in the 60s by **Led Zeppelin, Deep Purple, Black Sabbath, Jeff Beck** and **Cream**. In the late 70s, the pillars were then built by bands like **UFO** and **AC/DC**. By the 80's it was further reinforced by the likes of **Judas Priest** and the **Scorpions**, and many other influential rock bands."
