

**Billy Cobham** - *Stratus* 4/5

O's Notes: This is a stellar performance from the legendary fusion drummer Billy Cobham. He punctuates the session with "Drum Solo" which is true to the title and over three minutes of intensity. Stratus was recorded in 1981 with his band, Glassmenagerie that included guitarist Mike Stern and Gil Goldstein on keyboards. Our favorite tracks are Cobham's own "Total Eclipse" , "AC/DC" and "Stratus". Recording quality of this remake is outstanding.
