## New Michael Schenker Group album in May!

Legendary guitarist Michael Schenker has made his mark on the music world through his work with Scorpions, UFO and, of course, the Michael Schenker Group.

On May 13th, 2008 MVD Audio will release *In The Midst Of Beauty*, the first new MSG album since 2006, and the first in years to reunite the guitarist with the band's original members, singer Gary Barden, drummer Simon Phillips and keyboardist Don Airy, along with journeyman rock bassist Neil Murray (Whitesnake, Black Sabbath).

*In The Midst Of Beauty* promises plenty of Schenker's trademark blend of hard rock, metallic riffs and bluesy overtones.
