Michael Schenker coming to HOB Hollywood

A new Michael Schenker era is continuing with the "In the Midst of Beauty—World Tour" headed for the House of Blues in W. Hollywood on Wednesday, March 19th. The line up for the US Tour is: Michael Schenker — Guitars Gary Barden — Vocals Chris Slade — Drums Wayne Findlay — Guitar & Keyboards Robbie Crane — Bass

Schenker is truly a legend... From helping form the Scorpions to his stint with UFO, his guitar prowess has been electrifying from the beginning. "In the Midst of Beauty" perfectly captures the MSG aesthetic and mystique, which makes sense as 4/5ths of the original MSG are back in the fold!

Singer Gary Barden and the rest of the band make this one of their best (and most highly anticipated) recordings and a return to classic MSG form. Pushing the boundaries of hard rock, heavy metal and blues rock to the limits which his old fans love and which will impress a wide range of new fans.

ABOUT ME

MICKIE

I live for adventure! I've been in rock bands, movies, plays and on TV. I adore animals and have a Triumph chopper and a passion for sushi and ice cream (not at the same time). I was the Queen of the 31st Occasional Pasadena Doo Dah Parade. I am also a professional belly dancer (swords are my speciality) and a full-time journalist. Here, I'll share some of my life- who I meet and where I go in the music scene, as well as music news, and any other intriguing people, places and things I come across. Welcome and keep on rockin'!
